

# National Sex Ed Conference

December 9-11, 2015, New Brunswick, NJ

Register Now

## Speaker Info

- Congratulations on submitting a stellar proposal and being accepted as one of the presenters at the 30th Annual National Sex Ed Conference, to be conducted December 9 - 11 in New Brunswick NJ! As stated in your acceptance email, competition to present at this year's conference was high and we hope you are as excited about presenting as we are about inviting you!

Our keynote speakers this year include YouTube sensation Laci Green, and we couldn't be more thrilled with how the rest of the event is shaping up.

Please note that this page and this schedule is not generally available to the public! Please do not share this information until we make a public announcement of the schedule in mid-August.

Below is a list of the accepted workshops and speakers, divided by times and days. Please take note of your assigned slot and then accept your time slot as you register for the conference, as described in your acceptance email. Please note that we needed to make adjustments in the program agenda times to accommodate the many strong submissions we received. Thus, a number of workshops have been assigned 1 hour sessions.

If you were accepted for a roundtable, your time slot is on Thursday from 5:45 – 6:30. The roundtable program will provide for a number of presenters to simultaneously present their research, curricula, and information to attendees in the large ballroom space. Each roundtable will have a table and ten chairs.

You must register for the conference by September 30th at the latest or we will replace your workshop with something else. You will register using instructions sent to you in your acceptance email. All presenters are required to register for the conference. If you have any questions about the registration process, please contact [registration@sexedconference.com](mailto:registration@sexedconference.com).

If you have any questions about your workshop time slot or other programatic details, please do not hesitate to contact conference chair, Karen Rayne at [karen@karenrayne.com](mailto:karen@karenrayne.com).
